Rules:

- Each week every player will pick the team he/she believes will win the game. * Point spreads are not used!! Just pick the winner.
- Next, you give the game a point value based on how sure you are that team will win.
- For every win, you add the points placed on the game to your total scores.
- For every loss, you subtract the points placed on the game from your total scores.
- Any tie games will result in zero points for that game - no gain, no loss.
- At the end of the week, should a tie occur the tiebreaker will be the total points scored in the latest played Monday night game. Whoever is closest will win. If still tied, whoever is under will win. If still tied then the tie will stand.
- Remember, some games will start on Thursday, Friday or Saturday so check the schedule.**
- If a sheet is not turned in, the score will be 0 or the lowest negative score - whichever is lower.

3. For every win, you add the points placed on the game to your total scores.
4. For every loss, you subtract the points placed on the game from your total scores.
5. Any tie games will result in zero points for that game - no gain, no loss.
6. At the end of the week, should a tie occur the tiebreaker will be the total points scored in the latest played Monday night game. Whoever is closest will win. If still tied, whoever is under will win. If still tied then the tie will stand.
7. **Remember, some games will start on Thursday , Friday or Saturday so check the schedule.**
8. If a sheet is not turned in, the score will be 0 or the lowest negative score - whichever is lower.
